

Frequent questions

I would like to renew an existing enrolment. Do I need to fill a form again?

Yes, exceptionally because we are implementing a new platform. Therefore it is needed that all students fill a new enrolment form and give permission for their personal data access. A new student EPE number will be also created for all students.

What is the student's EPE code?

It is a unique code, generated automatically when you enrol, together with a password. It is used to identify the student on the EPE network.

If I decide to withdraw from enrolment after I have paid the fee, can I have my money back?

The amount you have paid for the fee will be returned provided you have requested this by the end of the first month after classes start.

Which courses incur in no payment of fees?

In general, courses integrated into the curriculum of respective education systems are exempt.

How can I prove I am unemployed?

As soon as possible you must upload your proof, a document issued by your local authority or Job Centre, onto the platform, or send it to the Coordenação de Ensino of your country of residence, with the student's EPE code and full name.

How can I prove I am a single parent?

Making proof of a copy of a declaration from the Finance Department (HR Revenue), stating the situation of single parent.

How can I prove I have more than one son attending EPE classes?

When filling the form, you should add the EPE code and the name of your other son(s).

What happens if the class or timetable allocated to my child is such that he can't attend the course?

The amount of the fee paid can be returned if requested by one of the student's parents during the first 30 days of Portuguese classes.
